

Priory Park and Washington Commons Gift Bricks

We are still taking orders for Priory Park and Washington Commons Park Gift Bricks. Engraved gifts are a great idea! The gift of time is yours for your friends and loved ones. Personalized bricks create a distinctive, elegant impression and are a unique way to receive lasting recognition. It's a special gift that will make any occasion a wonderful memory!

Gift Brick Certificate

Each Contributor will receive a handsome certificate in honor of the donation. Certificates can be issued at the time of purchase to present to your recipient that describes your gift and shows them how their brick will look. Your brick donation will be an integral component of the park, providing lasting recognition for you and others. The clay-fired bricks are seven inches by nine inches at Washington Commons Park and four inches or eight inches by eight inches at Priory Park.

Brick Paver Order Form

Name: _____

Address: _____

City: _____ State: _____ Zip Code: _____

Phone: _____ Total Amount Enclosed: _____

Please note that each brick can be engraved up to 13 characters per line, at a maximum of three, four or six lines, depending on which brick is ordered. Spaces, commas, ampersands, periods, etc. are all considered a character. The Park District will verify all inscriptions prior to the date of manufacture with the person (s) placing the order. All bricks will be prominently placed, but special requests cannot be granted for specific locations, color of brick or type styles. Bricks will be sold until the program sells out; will be accepted at any time. Orders are placed quarterly.
