

THRILL ZONE WAIVER & RELEASE

IMPORTANT INFORMATION

The River Forest Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The River Forest Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors registering for Thrill Zone must recognize that there is an inherent risk of injury arising out of this activity.

You are solely responsible for determining if you or your minor child/ward is physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

WARNING OF RISK

Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury when participating in any recreational activity/program. Understandably, not all hazards and dangers can be foreseen. Participants must understand that depending upon the particular activity, certain risks, dangers and injuries due to acts of God, inclement weather, slips and falls, inadequate or defective equipment, inadequate supervision or instruction, premises defects, carelessness, horseplay, vehicle accidents and all other circumstances inherent to recreational activities/programs exist. In this regard, it must be recognized that it is impossible for the River Forest Park District to guarantee absolute safety.

Swimming is intended to challenge and engage the physical, mental and emotional resources of each participant. However, despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including drowning. Understandably, not all hazards and dangers can be foreseen. The very nature of swimming is hazardous and risky, including but not limited to fatigue and overexertion, poor swimming skills, failing to avoid dangerous areas, horseplay, diving or cannon-balling into shallow water and striking the bottom or side of the pool, inadequate supervision or instruction, lack of conditioning, becoming disoriented, striking other swimmers, defective or inadequate equipment, striking one's head on the bottom when using a diving block, slip and falls on the deck or within the locker facility, chemical exposure and all other circumstances inherent to the sport of swimming. In this regard, it must be recognized that it is impossible for the River Forest Park District to guarantee absolute safety.
