

COVID-19 PROCEDURES

Face Masks & Health Restrictions

- All staff will wear face masks at all times.
- Participants will wear face masks when within 6-feet of others or indoors.
- Participants/staff will not be permitted into the facility if exhibiting COVID-19 symptoms.

COVID-19 Exposure or Diagnosis

Participants/Staff who are exposed to COVID-19 may not return until:

They have had no fever for 72 hours (without medicine)

AND

other symptoms have improved.

AND

At least 10 days have passed since their symptoms first appeared.

OR

Have had two negative COVID-19 test in a row, with testing done at least 24 hours apart.

Signs of Illness

- If a participant shows illness symptoms, they will be escorted to a dedicated room until they can be picked up safely by a parent/guardian.
- If a participant/Staff has a confirmed case of COVID-19
- Staff and families will be notified immediately of any possible case of COVID-19 while maintaining confidentiality.
- Program participants will be moved to an alternative room in the building. The contaminated room will be quarantined and cleaned 24 hours after initial exposure.

Drop-Off and Pick-Up

- Participants will be dropped off and picked up via curbside whenever possible. Some programs may require a parent/guardian to enter the building with a participant.
- Once the participant has been dropped off, they will be escorted to their program area by staff.
- All programs will be limited to parents/guardians and one person to drop-off & pick-up program participants.

Facility Space & Cleaning

- All programs will be assigned to a designated space each day to mitigate any interaction with other groups. Any spaces that are shared throughout the day will be disinfected between each group using the space.
- A deep cleaning will be done daily.
- Sanitizing will occur for high touch surface areas (bathrooms, elevator buttons, etc.) throughout the day.
- All equipment and materials that are shared or used throughout the day will be sanitized after each group use.

Restrooms

- Patrons should use hand sanitizer prior to using the restroom whenever possible.
- All patrons should wash their hands 20 seconds before leaving the restroom.
- Restrooms are disinfected throughout the day.

Group Size and Staffing

- Participants will remain with the same group throughout the program.
- Ratios are subject to change based upon CDC guidelines and depending on which stage of RESTORE IL we are in.

FAQ

Will you take patron's temperature before the start of the program each day?

No, but prior to participating, we will ask each participant if they or anyone in their household is experiencing any signs or symptoms of COVID-19. **STAY HOME IF FEELING ILL.**

How will we be cleaning equipment?

All equipment will be sanitized before they are shared with the next participant or group.

Will programs be going outside?

Yes, as long as weather permits.

Are sports allowed?

All sports leagues and programs will follow Illinois Department of Public Health (IDPH) mandated protocols and guidelines.

Classes & Programs Subject to Change

The River Forest Park District may cancel, reschedule, or re-imagine programs and events based on the latest Illinois Department of Public Health, Center for Disease Control, Restore Illinois COVID-19 directives. We will keep you informed of changes in programming through our website, social media, and email. Thank you for your patience and understanding.
