

Face Mask Update

6/14/21

Under the new Phase 5 reopening stage, which began on Friday, June 11th, Illinois lifted its outdoor mask requirement in schools in line with guidance from the U.S. Centers for Disease Control and Prevention.

The River Forest Park District is following the same mask guidelines as the Illinois Department of Education, which states, masks are **required indoors at all times** by all vaccinated and unvaccinated individuals. When **outdoors, face masks are OPTIONAL** for both vaccinated and unvaccinated individuals.

The safety and well-being of your child is our #1 priority this summer, so staff will continue to practice social distancing with the kids, as well as sanitize equipment and hands. The park district camp facilities are cleaned regularly.

If you have any questions or concerns, do not hesitate to reach out to us at the Park District.
